Lingotes Especiales (LGT) is a small Spanish industrial company specialising in the design, development, casting and machining of steel components, mainly for use in the automotive industry, where it is a market leader in braking systems (85% sales) with a 12% market share in Europe.

Impacted by the turbulent auto sector backdrop

A DECLINE IN REVENUES (-3.8% VS 9M18) constrained by a sector backdrop that continues to be affected by the uncertainties pointed out since 2H18: USA-China protectionist threats, the European cycle's loss of traction (LGT's core market) and the new WLTP emissions protocol which is distorting the market. As a result, the main European vehicle manufacturers have issued various profit warnings in the last year.

MARGINS REMAIN UNDER PRESSURE: The worsening of margins seen in 1H19 (-0.9p.p. vs 1H18) continued in 9m19 (-0.7p.p. vs 9m18) due to the sector context and the high cost of electricity in Spain that could not be passed on to the company's main clients (especially foreign ones; 80% of sales): EBITDA 9m19 of EUR 13.2Mn (-7.9% vs 9m18), with an EBITDA margin of 15.4% (in line with our 2019 estimate: 15.3%). The impact on EBITDA is amplified in terms of PBT (-14.4% vs 9m18) that came out at EUR 8.7Mn and that should enable LGT to close 2019e with PBT of c.EUR 11Mn (-10% vs 2018; in line with estimates).

WE HAVEN'T LOST SIGHT OF SECTOR CYCLICALITY. EU vehicle sales have been slowing since 2015: +9.3% in 2015, +6.8% in 2016, +3.4% in 2017, +0.1% in 2018 and -1.6% in 9m19 (-7.4% in Spain). For 2019e, the ACEA (the European Automobile Manufacturers' Association) has downgraded its forecast for passenger vehicle sales in the EU, now suggesting a fall of 1% (-5% for Spain, according to ANFAC, the Spanish Vehicle Manufacturers' Association).

OUR 2019 ESTIMATES ARE UNCHANGED: Revenues of EUR 113Mn, with an EBITDA margin that will remain > 15%, resulting in EBITDA 2019e of c. EUR 17Mn (-5% vs 2018). Perhaps the most interesting aspect is the recovery of FCF (after the conclusion of the significant investments made in recent years; refer to appendix 2) despite the cyclical headwind, with a current FCF yield of c.7% (vs 6% for the sector).

IN CONCLUSION: a set of results that show an expected weakening of the main P&L items vs 9m18 and which is negatively impacted by the sector environment (revenues and EBITDA: -4% and -8%, respectively). LGT's strong balance sheet (ND/EBITDA 2019e: < 1x) will help the company to weather an adverse cyclical context such as the present one.

(*) Unless otherwise indicated, all the information contained in this report is based on: The Company, Thomson Reuters and Lighthouse.

- (1) The opinion about results is in respect of reported EBITDA and its relation to our estimate for the year (12m). The impact reflects whether, as a consequence of these results, we envisage a significant (>5%) upgrade or downgrade to our EBITDA estimates (for any of the estimated years).
- (2) Total volume traded in the share (Mn EUR) -12m vs Mkt Cap. Represents the % of the capitalisation traded -12m.
- (3) Expected EBITDA growth (consensus) for the share's benchmark sector (Eurostoxx 600 Automobiles & Parts).
- (4) Based on recurrent FCF. Please refer to Appendix 2.
- (5) Calculated with a theoretical tax rate. Please refer to Appendix 2.
- (6) vs Eurostoxx 600 Automobiles & Parts.

IMPORTANT LEGAL INFORMATION REGARDING THIS REPORT

LIGHTHOUSE

Lighthouse is a project of IEAF Servicios de Análisis S.L.U. Lighthouse is a research project funded by Bolsas y Mercados Españoles S.A. Lighthouse aims to improve the research coverage of the "orphan stocks" of the Spanish market: those which lack real and continuous research coverage. Lighthouse reports will not include valuation and target price. Lighthouse does not seek to provide investment advice to any natural or legal person. For this reason, Lighthouse will not provide a valuation, target price or investment recommendation for any of the securities analysed.

IEAF Servicios de Análisis S.L.U. is a Spanish company whose corporate purpose is:

1º) To provide information and financial analysis regarding securities issued by any class of legal person traded on official secondary markets, and specifically those securities which are not the object of the recurrent provision of information and analysis by financial analysts who participate in the markets.

2º) To publicise and update the aforementioned financial reports and analysis, in addition to the monitoring and following of the securities on which the information and analysis is provided.

3º) To prepare studies and projects aimed at proposing and implementing measures to improve the information and financial analysis of securities traded on official secondary markets.

IEAF Servicios de Análisis S.L.U. is a company whose sole shareholder is the Instituto Español de Analistas Financieros (IEAF), a professional, not for profit association.

DISCLAIMER

The Instituto Español de Analistas Financieros (IEAF) hereby certifies that the analyst of IEAF Servicios de Análisis S.L.U. whose name figures as the author of this report, expresses views that reflect their personal and independent opinion of the company analysed without these implying, either directly or indirectly, a personalised recommendation of the company analysed for purposes of providing investment advice. This report is based on the preparation of detailed financial projections from information available to the public and following traditional fundamental research methodology (i.e. it is not a technical or quantitative analysis report). For the analysis methodology used in the preparation of this report, please contact the analyst directly; contact details are included on the front page of this report.

The report includes basic information regarding the main parameters to be used by an investor when making their own valuation (whether by discounted cash flows or multiples). These parameters are the personal opinion or estimate of the analyst. The person receiving this report should use their own judgement when using these parameters and should consider them as another element in their decision-making process in respect of investment. These parameters do not represent a personalised investment recommendation.

Rules governing confidentiality and conflicts of interest

None of the following rules governing confidentiality and conflicts of interest (12) is applicable to this report:

1. This report is non-independent research as it has been commissioned by the company analysed (issuer).
2. In the last 12 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., has had Investment Banking mandates or has managed or co-managed a public offering of the securities of the issuer, or has received compensation from said issuer for Investment Banking services, that exclude brokerage services for prepaid fees.
3. In the next 6 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., expects to receive or intends to obtain compensation for Investment Banking services provided to this company that exclude brokerage services for prepaid fees.
4. The Investment Analyst or a member of the Research Department or a member of their household has a long position in the shares or derivatives of the corresponding issuer.
5. The Investment Analyst or a member of the Research Department or a member of their household has a short position in the shares or derivatives of the corresponding issuer.
6. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a long position of over 0.5% of the issuer's capital.
7. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a short position of over 0.5% of the issuer's capital.
8. At the end of the month immediately prior to the publication of this report, or of the previous month if the report is published in the ten days following the end of the month, the company analysed (the issuer) or any of its subsidiaries held 5% or more of any class of equity security of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U.
9. A senior director or officer of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., or a member of their department is a director, officer, advisor or member of the Board of Directors of the issuer and/or one of its subsidiaries.
10. The Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., acts as broker for the Issuer for the corresponding prepaid fees.
11. The contents of this report have been reviewed by the issuer prior to its publication.
12. The issuer has made changes to the contents of this report prior to its distribution.

The Investment Analysts who have prepared this Investment Analysis are employees of IEAF Servicios de Análisis S.L.U. These analysts have received (or will receive) compensation according to the general earnings of IEAF Servicios de Análisis S.L.U. To obtain a copy of the Code of Conduct of IEAF Servicios de Análisis S.L.U. (in respect of the Management of Conflicts of Interest in the research department), please use the e-mail address secretaria@ieaf.es or consult the contents of this Code at www.ieaf.es.

IEAF Servicios de Análisis S.L.U. is compensated by Bolsas y Mercados Españoles, S.A. for the preparation of this report. This report should be considered as just another element in the taking of investment decisions.
